

The ROI is way beyond just being financial.

Kiosk	Person
Accepts payments 24x7 in a common lobby area or out-facing location.	Limited to office hours
Has no moods	Teller moods can sometimes upset patrons
No sick leave / vacations or benefits required	Saves \$\$\$\$ from the budget
One time investment - and it will serve for 5-10 years	Saves about \$30k per year from budget in teller salaries
Safer, more secure and accurate	More susceptible to theft, dishonest employees and human errors.
Moves lines faster	Small talk with cashier causes the line to move slower
It's the present and the future	It's the past – fast becoming obsolete
WIN-WIN-WIN – Customers are fast adapting to kiosks and appreciate the added convenience and quick transactions.	Let our technology help you achieve your service goals and balance your budget !
